CALL FOR 2022 FIELD OF HONOR SPONSORSHIPS

This year, we are asking each member of the club to secure at least one sponsorship for the 2022 Field of Honor. Sponsorship proceeds help fund New Gen Rotary's extensive list of local and international service projects, such as sending kids to leadership camps, planting trees in the local community, purchasing stockings and toys at Christmas time for families of those affected by cancer, and providing clean water wells, just to name a few!

You can scan the QR code here to access more detail about sponsorship opportunities, including the online sponsorship registration form.
